Dear Ladies,

Many thanks for your work this year. We received over 50,000 upcs and was able to order 2 guitars, one keyboard and one violin which was requested by a missionary from Russia. Besides the instruments that we have gotten from Campbell's, we have received a child's guitar.

As much as we want to send instruments to the Dakar, it has been difficult to arrange shipping. If you know of any students at Dakar, please have them contact me directly for an instrument. Due to the cost of shipping and tariff, the instrument will be shipped to someone in the United States to take it the student or it will be shipped when the child is in the United States.

Take time to look at the list of products whose upcs are used in the Campbell Program. There are several new items have been added. Although "lids " are eligible, I do not suggest sending them. They cost too much for you to ship. to me.

If you have any questions, please feel free to contact me. Although I have email, I have had difficulty with it for the past 18 months. Sometimes I receive it and sometimes I don 't. Call leave a message and I will return the call at no cost to you.

Yours in Christ,

Marilyn Robb
