

**Women's Leadership Studies**  
**Unit 2**  
**Janet Howard, Instructor**

## **Assessment and Integration of Leaders**

### **Course Objectives:**

The student will explain the relationship of spiritual maturity with principles of leadership. After identifying personality and spirituality profiles, the student will be able to integrate these with basic leadership opportunities and challenges within the context of the church.

### **Course Outline:**

- I. Principles of Leadership
- II. Personality and Spirituality Profiles
- III. Integration of Principles and Profiles in the Church

**Required Reading:** none

### **Course Requirements:**

#### **A. Pre-session Requirements**

1. Student will list five major areas of tension within her area of leadership in her church context.
2. Student will list five major personal understandings of self (positive and/or negative) as it relates to her role of leadership within the church.

#### **B. Post Session Requirements:**

1. Student will write a summary paper integrating Biblical leadership principles with what she has discovered about own personal profile. In conclusion she will enumerate the practical conclusions for application in all relationship within her own church context.
