It costs you more in postage to send these items. They are of little value to our dealers.

We need the Pre Sorted, Non Profit, Bulk Mail and Pre Sorted Standard STAMPS STUCK on the envelopes.

(3) We continue to make use of **DAMAGED STAMPS!**

(4) Dealers still require a border of 1/4 to 1/3 inch of paper around the stamp

If the border is less than that, the stamp can still be sold, but at a lower price.

The stamps are sold by the pound and if you are cutting too close to the stamp, you are cutting off some of our profits.

(5) Dealers do not want to buy **uncancelled 1 cent stamps** **BUT** we still have a market for regular postage that is **UNCANCELLED**.

(6) We can use picture post cards both used and unused.

Thank you for your faithful support of this – God's Unique Ministry!

If you can **LICK IT** or **STICK IT** we can use it!
