

ALLIANCE STAMP MINISTRY

2021

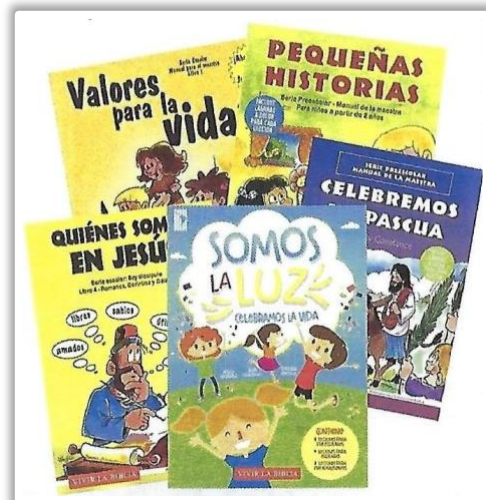

Thank you very much

for the used stamps you send us! The income from their sale supports publishing and distribution of Spanish language Sunday School curriculum. More than 50 lesson series have been published and are being used in 40 denominations in Spanish-speaking countries in Latin America, Spain and the U.S.

We praise the Lord that even though our in-person operation was completely shut down for three months, the STAMP MINISTRY earned \$30,000 last year! Volunteers came in on Fridays to pick up loads of stamps to trim and sort, then brought them back the following week. As restrictions eased, 4 workers were allowed in the room that normally accommodates 18-24. We opened up on additional afternoons to compensate, and our volunteers just kept showing up. **TO GOD BE THE GLORY!**

It is very helpful if you are able to send the stamps **already trimmed and sorted**. This lightens the load of the team that faithfully works in this ministry at Shell Point Village. You can call me with questions.

We have a DVD available for a donation of \$5 for you to use to share the Stamp Ministry with others.
