

STAMP MINISTRY GUIDELINES for 2025

Thank you for the stamps you send to this ministry. The income generated by this ministry goes to support the preparation, publishing and distribution of a Spanish language curriculum for Sunday Schools. More than 50 lesson series have been published and are being used in churches of 40 different denominations and missions in 19 different Spanish speaking countries in South America, Central America, Spain and even the USA.

A DVD, created in November 2021, is now available to help in sharing the Stamp Ministry with your church, family and friends. A donation of \$10.00 covers the cost of production, handling and postage.
